Section 66-287... The owner, his agent or occupant, of all premises shall be responsible to take up or cause to be taken up all aggregate sweeping of garbage, trash, litter, grass cuttings, leaves and other waste materials from the premises, sidewalks and abutting property, including the space beyond the curb line in front, extending 1-1/2 feet from the curb line into the street or roadway and in the rear and along side thereof such premises owned or occupied so that such sweepings shall not under any circumstances reach the drains, gutters, streets or roadways. The owner, his agent, or occupant shall be responsible to have all sweepings placed into containers sufficient to prevent such sweeping from being scattered by the wind and placed out on the days designated for collection.
